

Care Animal Hospital Boarding Release Form

Patient Name _____

Client Name _____

BOARDING POLICIES

1. We require reservations be made prior to any drop off of an animal boarding with us. Please call at any time during office hours to check our schedule, there is always a possibility of a cancellation. Sorry, we do not keep a waiting list when we are fully booked.
2. Our doors are open at 7:00 AM Monday through Friday, and 8 AM Saturday for drop off of your pets.
3. We do use Eukanuba Diets for feeding the kennel. So if your pet is on a special diet or is a finicky eater, please bring enough of his/her food for the stay. Make sure all foods and treats are labeled at drop off.
4. Bring all medications with you to drop off with your pet. Instructions will be recorded at drop off.
5. If your animal is not picked up by closing time, you will be charged another day of boarding for your animal. You are able to pick up your animal any time during business hours only.
6. If, during the boarding exam, fleas are found on your pet, the pet will be treated at your expense. This is necessary in order for Care Animal Hospital to remain a flea-free environment.
7. Because of the large number of patients that visit the hospital each day, we recommend that you not leave any personal items here. Care Animal Hospital cannot be held responsible for any carriers, blankets, etc. left with your pet.
8. If, during the courtesy examination of your pet upon check-in, the doctor finds that the pet is ill, Care Animal Hospital will attempt to reach you to authorize treatment. If you cannot be reached, the pet will be treated at the doctor's discretion and your expense.
9. In order for your pet to board at Care Animal Hospital, it must be current on all required vaccines. For example, canines must be current on their bordetella, distemper complex, and rabies vaccines. Feline must be current on their distemper and rabies vaccines.

We strive to provide the best care and compassion for your pets. If at any time we have the need for special or emergency treatment while your pet is boarding with us, we will first attempt to contact you or your designated contact to inform of the situation. We appreciate your cooperation and understanding of our policies to provide a fair and timely service to all. As the owner or authorized guardian of this animal, I give permission to the clinic to receive, treat, prescribe or otherwise care for the animal above as deemed necessary. Should injury or circumstance warrant the need for emergency service, I understand that the clinic will try to contact the necessary people before treatment, but will exercise the option to proceed if no one is available for clearance.

NOTE: Care Animal Hospital is a flea-free environment. All animals are examined when entering the facility and those with fleas are treated at the owner's expense.
